ANALYSIS OF STUDENT FEEDBACK 2017-18

Feedback mechanism is an integral part of the academic process to evaluate any educational institution. In keeping with the prerequisite norms, Dhakuakhana College collects yearly feedback from all stakeholders to ameliorate the educational environment of the institution. NAAC Sub-Committee of **Criterion-I** of the institution designs, circulates and collects feedback from its stakeholders to monitor and evaluate its performance quality in terms of course curriculum and other related issues.

The feedback form for students encompasses curriculum and its learning related issues. It addresses completion of course syllabi, communication skills of the teachers, contribution of the teachers towards enhancing problem solving ability of the students, facilities available for the students and co-operation of the administration.

During 2017-18 feedback was collected through offline mode. Accordingly, 865 students duly recorded their response for the same. The detailed analysis of the process is given with graphical presentation below:
