Title: Collaboration between NSS Unit, Dhakuakhana College and Dhakuakhana Municipal Board

The parties:

1. The Principal, Dhakuakhana College (First Party)
P.O Dhakuakhana, Lakhimpur, Assam
2. The Chairman/Executive Officer, Dhakuakhana Municipal Board (Second Party)
P.O Dhakuakhana, Lakhimpur, Assam

Preface

In keeping with the emerging trend of higher educational institutions forming fusion with various significant organizations, Dhakuakhana College has synthesized with the Dhakuakhana Municipal Board to carry out a series of activities to create consciousness about sustainable development and eco-friendly ambience. The introduction of vermicomposting in the curriculum by Dibrugarh University has made it quite significant for the students to imbibe its practical relevance. Taking these into consideration, Dhakuakhana College has juxtaposed with the Dhakuakhana Municipal Board to embark upon this joint crusade against environmental degradation. One of the main objectives of higher education is to provide quality education to students and make them responsible citizens for the development of our society. This type of objective will be achieved if the organizations with similar aims and objectives come closer to share information and resources with each other for better growth and transformation. Collaborative activities will definitely help to identify the shortcomings, drawbacks and remedial measures. Hence, both these organizations intend to collaborate with each other for the improvement of the students, community and society.

Purpose of MoU:

In particular, this MOU is intended

1. To administer waste segregation in an effective way.
2. To recycle both solid and liquid waste and extract their maximum benefits.
3. To engage students in this massive drive for sustainable development and eco-friendly ambience.
4. To create awareness among the masses about their responsibility towards environment and ecological balance.
5. To conduct a sequence of intermittent programmes to explore new horizons in the domain of waste management and environmental consciousness.

Working Agreement:

Both the parties agree to administer waste segregation, solid waste and extract their maximum benefits. The municipal board will provide facilities which are required for sustainable development and eco-friendly ambience. Besides, the second party will conduct a sequence of intermittent programmes to explore new horizons in the domain of waste management and environmental consciousness.

Functionaries:

For proper implication:

1. Each party will constitute a committee to monitor and evaluate the functions.
2. The coordinator of the NSS unit of Dhakuakhana College would be designated as Liaison officer. On the other hand, a senior employee of municipal board would be the Liaison officer from the side of second party.
3. Both the Liaison officers will prepare an annual plan with the consultation of the head of the institutions.
4. The Liaison officer will have to submit a report annually to the head of the organizations and Head of the organizations will produce that report to the committee constituted for monitoring the function.

Responsibilities:

The two parties recognised that the implementation of any agreed upon activity will depend upon the interest and expertise of the individuals involved and the availability of financial resources, space and other resources.

Duration and option for extension:

The MoU will become effective when signed by both parties. The agreement will remain in force for five years from the date of signature provided below. It may be renewed or amended by mutual agreement of the parties.

Declaration:

The provisions cited in the above MoU are thoroughly discussed and reached at the consensus that both the organizations will follow the provisions and implement the same by heart and soul.

Authorised Signatures:

By the signatures of their respective and duly authorised officials below both parties acknowledge of having read and understood the agreement and agree to be bound by its terms and conditions.
