

Dhakuakhana College

Student Satisfaction Survey (SSS)

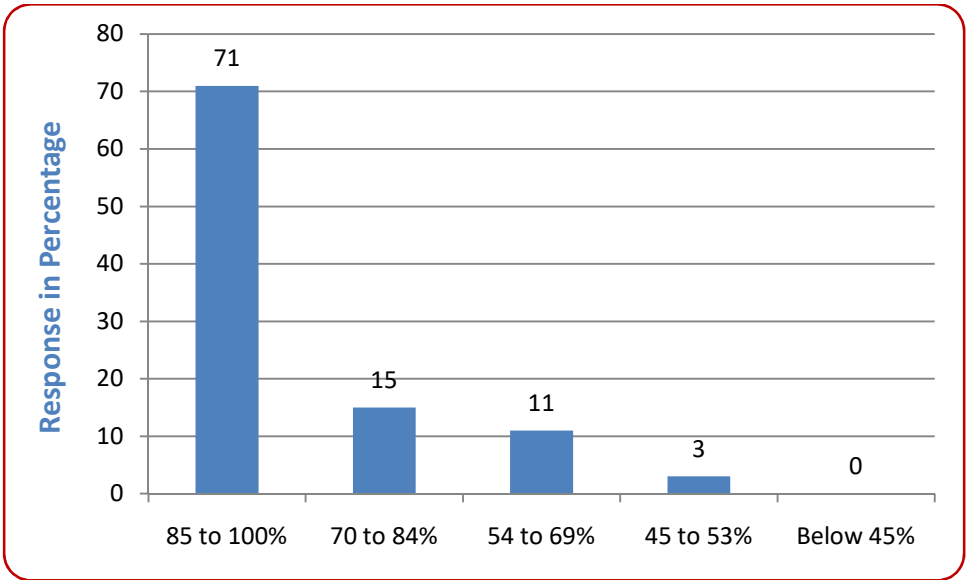

Session: 2021-22

A survey has been conducted among a randomly selected group of students covering all classes to have a glimpse of the satisfaction level of the students regarding the Teaching-Learning and Evaluation process carried out in Dhakuakhana College. Altogether 146 students participated in the survey and gave their valuable feedback and suggestions on ten (10) key sub-fields.

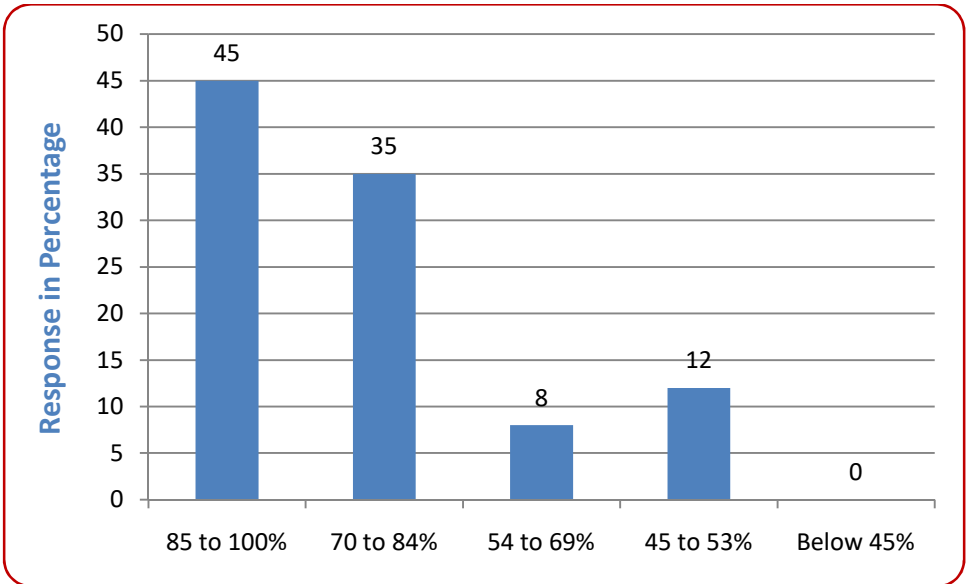

The data were analyzed and discussed with the faculties of the college. The management and the faculties have incorporated the findings of the survey in the Teaching, Learning and Evaluation process for upliftment of their effectiveness.

(A) Curriculum Delivery

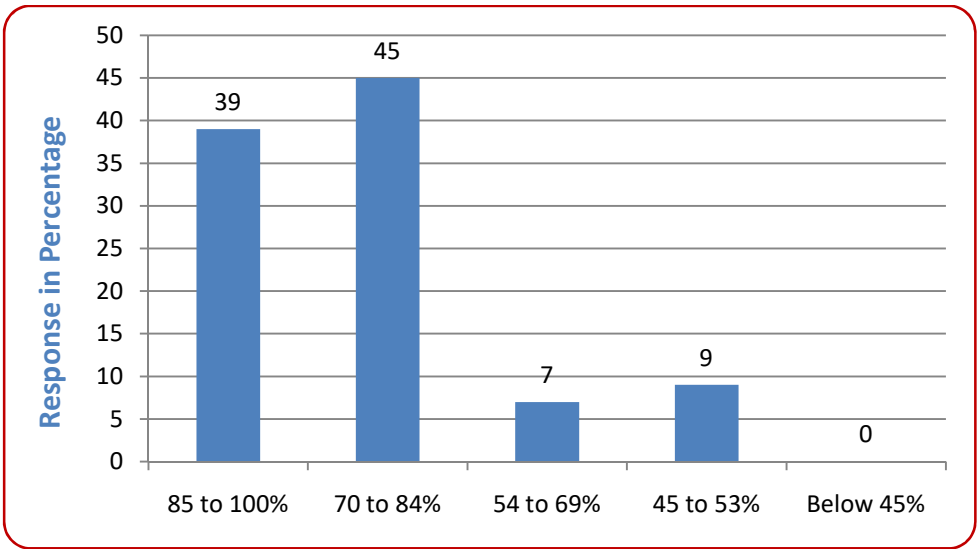

1. How much of the syllabus was covered in the class?

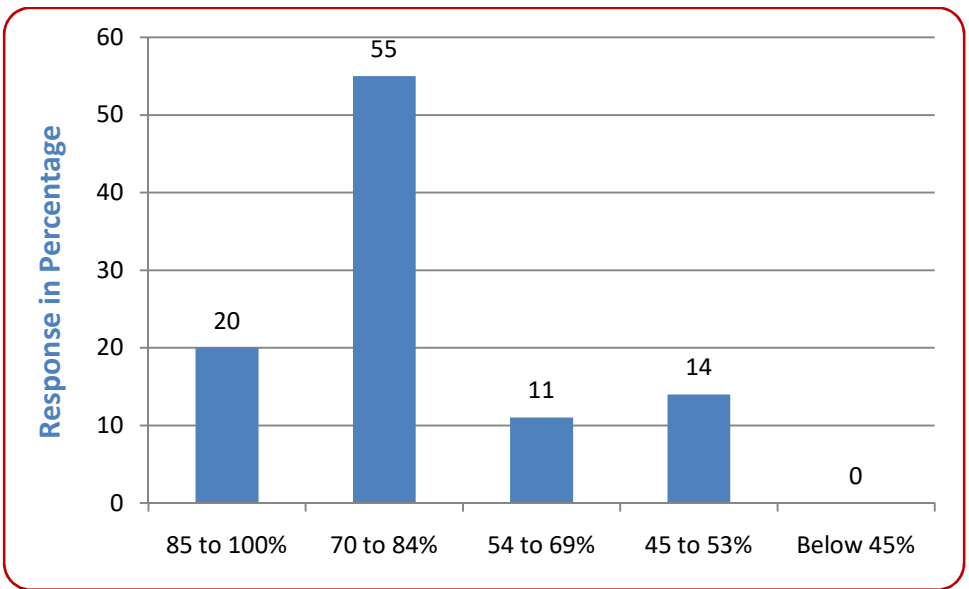

2. The teachers’ approach to teaching can best be described as

3. The teachers illustrate the concepts through examples and applications.

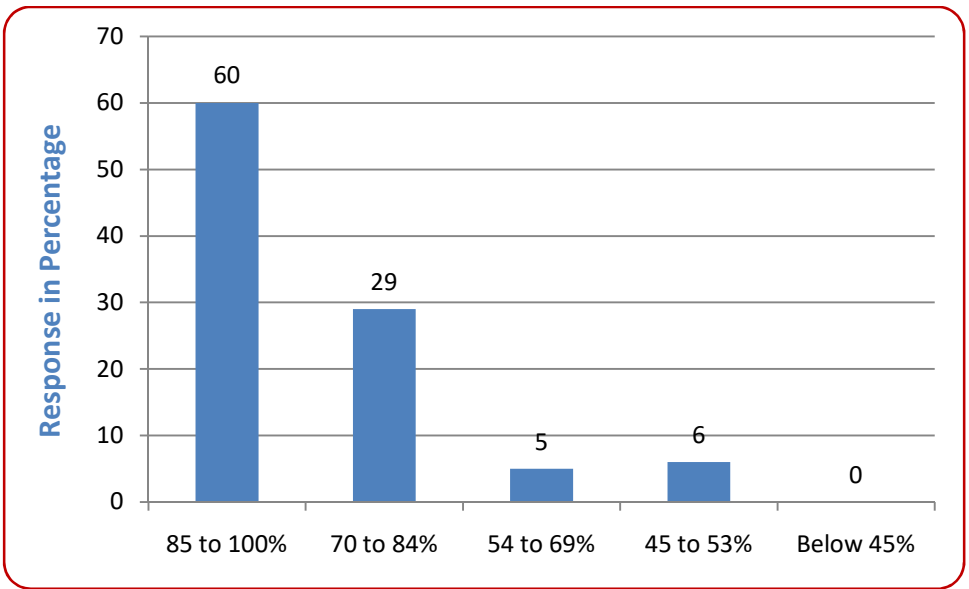

4. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

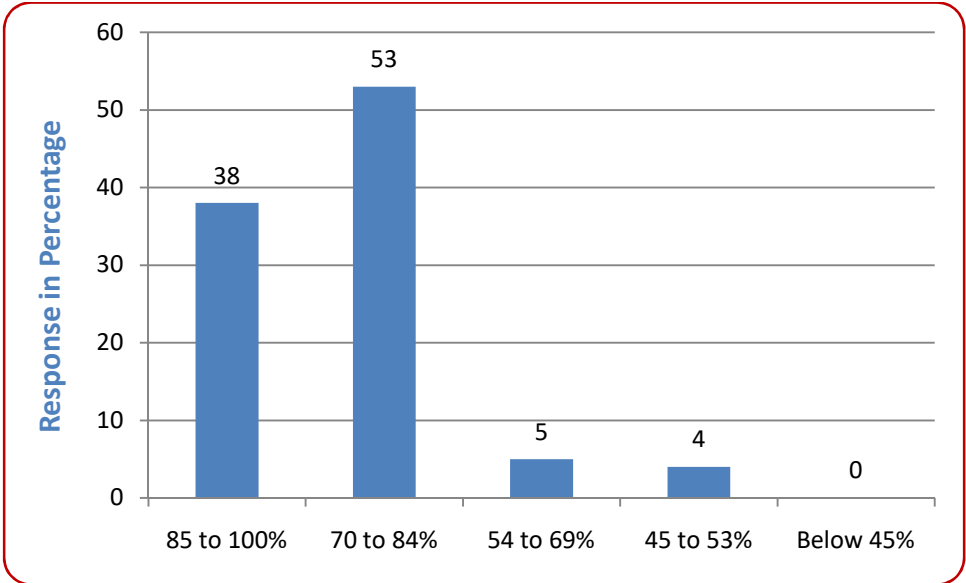

(B) Evaluation

5. Fairness of the internal evaluation process by the teachers.

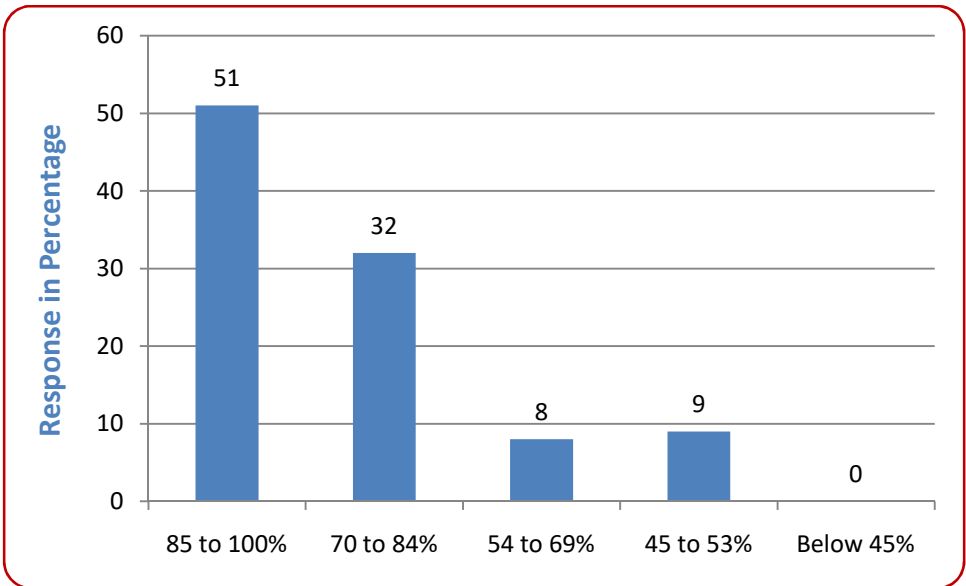

(C) Counseling

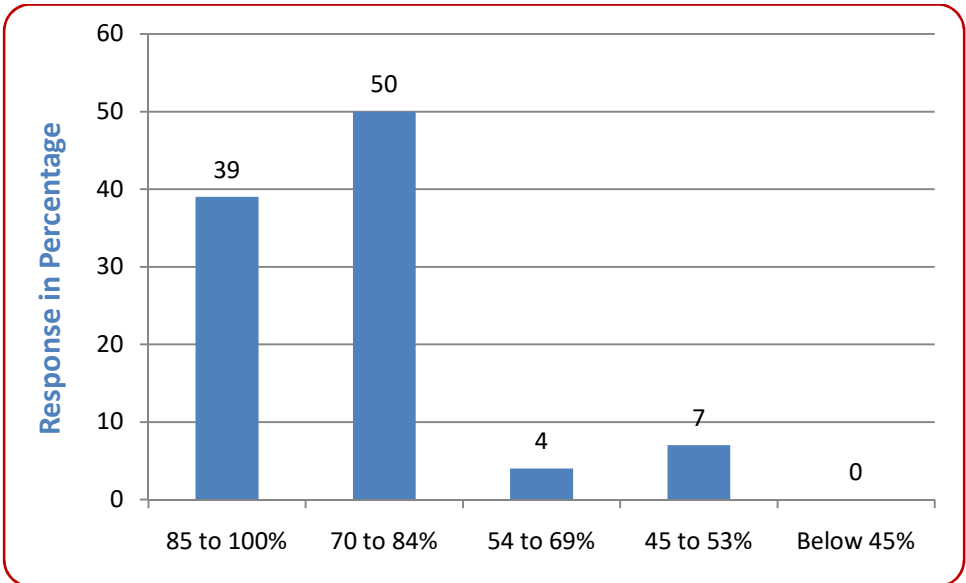

6. The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.

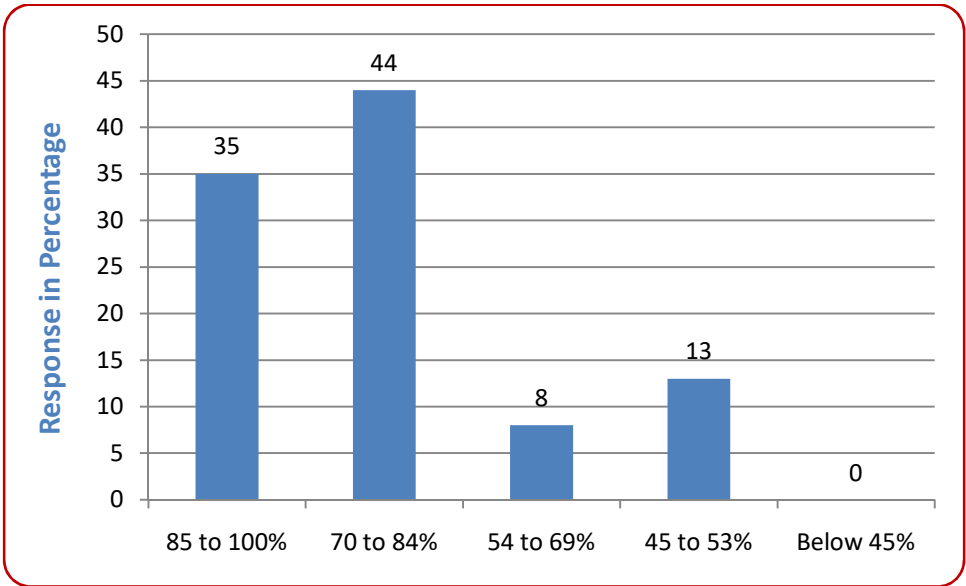

7. The teachers identify your strengths and encourage you with providing right level of challenges.

8. Teachers are able to identify your weaknesses and help you to overcome them.

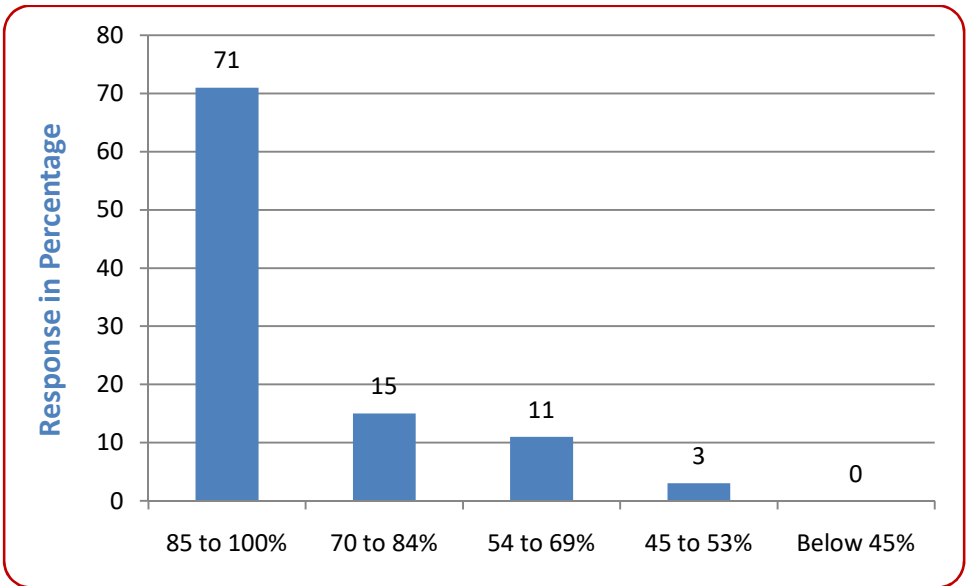

9. Teachers encourage you to participate in extracurricular activities.

(D) Teaching-Learning Process

10. The overall quality of teaching-learning process in your institute is very good.

(E) Comments and Suggestions:

The responses from the participants in SSS have quietly demonstrated the continuous improvement in teaching learning process from the much problematic earlier COVID pandemic period. The participants show the positive mood of the students towards a better academic atmosphere which is, by leaps and bound, continuously going on for improvements.
