

PERSPECTIVE PLAN

In keeping with the vision and mission of the institution Dhakuakhana College has developed a perspective plan to ameliorate the holistic ambience in the entire region of Dhakuakhana. The perspective plan envisages to emphasize on the following aspects for institutional growth and rich productivity in terms of creating human resources with profound national and environmental consciousness.

ACADEMIC EXCELLENCE

1. Construct a separate and spacious college building with all sophisticated teaching learning facilities.
2. Introduce add on and certificate courses in all disciplines.
3. Introduce value added courses to inculcate professional ethics and moral values among the students.
4. Assist the slow learners and advanced learners by conducting regular remedial classes and advanced courses in their respective disciplines.
5. Upgradation and continuation of teaching with ICT tools and encouraging the teachers to take up digitized teaching methods.
6. Student mentoring to be strengthened and financial assistance to be extended to the economically weaker students.
7. Encourage teachers to conduct classes in feeder institutions.
8. Conduct programmes for the development of students' personality and competitive examinations.
9. Sign functional MoUs for academic exchange and sharing knowledge.
10. Encourage innovative and diversified research work among the students and teachers.
11. Conduct administrative and academic audit at regular intervals to ensure comprehensive transparency and clarity to gain academic excellence.

COMMUNITY MOBILIZATION AND EMPOWERMENT OF UNDERPRIVILEGED SECTIONS

1. Encourage teachers and students for community services.
2. Sign effective and feasible MoUs for resource mobilization and employment generation.
3. Organize workshops and relevant programmes on sericulture to ensure benefit of the entire community.
4. Provide financial assistance to economically weaker meritorious students.
5. Digitalization of the administration, library etc.
6. Drives for cashless transaction.
7. Initiate more extension activities and programmes for the benefit of local people and community.

UPHOLDING LOCAL CULTURE AND HERITAGE

1. Involve various collaborating agencies like NGOs, Trust etc. to preserve and consolidate the cultural heritage of the indigenous people.
2. Inculcate the deep values of their affluent culture among the students.
3. Construct a cultural repository or museum demonstrating various cultural aspects and artifacts of the region.
4. Organize events on indigenous culture and heritage in different functions of the college to create awareness among students and the whole community.

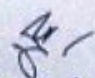

NATIONAL INTEGRITY AND ENVIRONMENTAL CONSCIOUSNESS

1. Observe national commemorative days like 26th January and 15th August.
2. Organize more workshops and competitions among students and engage student and teaching fraternity on environmental consciousness.
3. Conduct green audit, environment audit and energy audit at regular intervals to contribute towards sustainable development.
4. Engage students actively in the waste management process.
5. Install rain water harvesting mechanism and channelization through proper distribution.

PROMOTION OF GAMES, SPORTS AND CREATIVE ACTIVITIES

1. Improve sports infrastructure and gymnasium facilities.
2. Ensure participation of students in the fields of sports, culture, creative writing and other significant domains at all levels.
